Due to neighborhood restrictions we cannot allow amplified music. All events must end by 10PM. Due to the historic nature of Tudor Place and for the safety of our guests, we prohibit all sources of flame onsite. For the preservation of buildings and gardens, darkly colored beverages are not permitted at events.

In each 2020 wedding package, choose from the four locations onsite:

- Bowling Green, a romantic and secluded oasis
- East Lawn, a casual and wide space framed by the historic trees
- The base of the Tulip Poplar on our South Lawn, an open space crowned by our 200-year old tree
- Dower House, a quintessential example of 1867 Victorian charm
