

## **Horticulture Internship Summer 2024**

Tudor Place Historic House & Garden seeks an intern to assist the Buildings, Gardens & Grounds team with horticultural maintenance of our 5 ½ acre site.

The Horticulture Intern will work with the Gardens & Grounds team to care for the site. Primary responsibilities will be regular garden maintenance activities, such as weeding, mulching, watering, raking, edging, deadheading, planting and pruning. This internship provides a unique opportunity to gain practical work experience and exposure to public horticulture. Learn how to maintain a public display garden by working closely with staff and volunteers.

### **Tasks:**

- Assist with garden maintenance (including weeding, mulching, watering, raking, edging, deadheading, planting and pruning)
- Assist with care of nursery and greenhouse
- Assist with special projects

### **Qualifications:**

- Must be a current student or recent graduate of horticulture, landscape design/architecture or a related program
- Experience with implementing horticultural best practices in a landscape setting
- Knowledge of plant material and landscape maintenance techniques
- Some requirements for lifting, pushing and pulling items up to 50 pounds; ability to work outside in all types of weather; ability to work on stepladders

### **Schedule & Logistics:**

- Two days (14 hours) per week with schedule flexibility; when seeking credit, the total number of hours is dependent on the credit requirements of the student's academic institution.
- Approximate dates of the internship are mid-May 2024- August 2024, with a flexible start date.
- Interns are eligible to receive a Museum Shop discount and free on-site parking.

**Stipend:** \$1,800

### **To Apply:**

Submit a resume and cover letter to Allyson Whalley, Director of Buildings, Gardens & Grounds, at [awhalley@tudorplace.org](mailto:awhalley@tudorplace.org) with the subject line 'Horticulture Intern' by April 15, 2024. No phone calls please.
